CSE HIGHLIGHTS

"The computer was born to solve problems that did not exist before."
— Bill Gates

FROM THE DESK OF HOD

Greetings from the Department of CSE…

At the outset, I thank our Managing Trustee Justice A.Ramamurthy and the Principal Dr.S.N.Ramaswamy for their guidance and support in the growth of the department. I am very glad to mention that this newsletter is prepared and released by our students, to make you aware of the various activities of the Department of Computer Science and Engineering.

I congratulate and thank our team of all faculty members and students of CSE for their contribution towards the various events and also in bringing this newsletter.

Thank you

Dr.K.Velmurugan

Professor and Head, Dept. of CSE

CSE HIGHLIGHTS

“Before software should be reusable, it should be usable.”

— Ralph Johnson

Vision:

- To become a center of excellence in the field of computer science and engineering through high quality education and produce intellectual computer engineers for industry and research.

Mission:

M1: To provide fundamental knowledge in science, mathematics, management and environmental subjects.
M2: To impart in-depth knowledge in core computer science and engineering theory and laboratory courses.
M3: To train students to enhance their problem-solving and programming skills.
M4: To expose students to emerging technologies and tools in the field of computing.

CSE HIGHLIGHTS

"Debugging is significantly easier if you first admit that you are the problem"

STUDENTS ACTIVITIES

Student activities are student focused extra-curricular clubs and programs offered at college or university. Student activities are generally designed to allow students to become more involved on campus. Often, such activities provide the students with opportunities to develop leadership, social responsibility, citizenship, volunteerism, and employment experience.

EDC MEETING

MESSAGE FROM EDC,

Vision

Our vision is to aid the growth of our society by enabling entrepreneurs with integrity & sustainability and encourage individual ability and creativity.

Mission

To be the leader in enabling & facilitating entrepreneurs, support the sparks of budding entrepreneurs and manifesting the spirit and energy of young students from ideation to start-up to establishment and scaling up with integrity and sustainability through constant guidance & mentoring through various programs and schemes

CSE HIGHLIGHTS

“Everybody should know how to program a computer, because it teaches you how to think”

February 19, 2021 | @Conference hall the First EDC meeting was conducted by Assistant Professor Mr.Poongavaanam. The meeting was host by the CSE student Coordinator. In that meeting, we promoted the student's stuff and leadership quality. We motivated the students through the presentation, what are we achieved by the things that were prepared by the EDC Cell.

March 16,2020 at conference hall. We’ve conducted the second meeting with the student coordinator. Here, we got the different ideas from the students and we're discussed about the student's ideas, whether its applicable is not, and what are requirements needed by the students.

March 19, 2021 at conference hall, we’ve conducted the third meeting of EDC. Here students submitted their sample product which was created by students in EDC. And then we encouraged the members of EDC those are prepared the products. Finally, we give hope to the members.

STAY SAFE AND STAY PRODUCTIVE

ALUMNI' S EXPERIENCE

I am 2003-year B.E. Computer Science Engineering pass out with University 1st Rank and Gold Medal. AAMEC plays a pivotal role in my life and I am highly indebted to the entire college faculty, in particular Department of Computer Science Engineering for their great support and encouragement in setting up a strong foundation for what I am today.

AAMEC days are one of the best times I had as student and AAMEC gave us all the avenues to grow as a person. I would always cherish my four wonderful years of Balamurugan Boy's hostel. I strongly believe that our CSE department provides excellent infrastructure and world class facilities with fully equipped labs and library facility. I would like to sincerely thank Mr. Velmurugan sir (CSE dept) for providing his incredible guidance, mentorship and being always supportive. My best wishes to all the budding engineers, follow your dreams with dedication and you will surely make all of them come true. Best of luck!!

Yours Sincerely,

Ambarish Tripathi
